Lance, as we discussed this morning, here are my initial comments on the AOC:

- Paragraph 78 states that “[payment for past costs are not sought in this Settlement Agreement](#)” (no sure if this is the case, need to confirm), then
- Paragraph 92(a) states that “the matters addressed in this Settlement Agreement are the Work, and Future Response Costs.”
- However, para. 92(b) says in the last sentence “Respondents have... resolved their liability... for the Work, [Past Response Costs](#) and Future Response Costs”

Let me know if you have any questions. Thanks.
